Dear Mr. Ruths,

I am writing in reference to a letter from my office dated June 15, 2023. Effective immediately, Woodland Park School District and its Board of Education rescind the terms of the earlier letter in its entirety. Your privilege to attend board meetings and other public gatherings on District property is fully restored.

Very truly yours,

A handwritten signature in dark ink, appearing to read "B Miller", is written over a thin horizontal line.
