Apologies for the Saturday email, but this was a late tasking we were tracking with our Tasking team, and that was brought to my attention thanks to you as it seems you knew before us about the attached Memo prepared by CFO.

Can you confirm that there are no show stoppers for AD1's signature?

Hi (b)(6),(b)(7)(C) - I believe the latest update is the memo was returned to ICE to obtain AD1 signature. If ERO could do a quick review and confirm there are no edits or updates, we will move forward with sending to the OD. I uploaded the memo to ICATT earlier this evening.

I talked to the main vendors (MTC, LaSalle, Corecivic, GEO, and BOP). They can't guarantee dates because there are so many variables like finalizing the awards, equipment availability, facility prep, and staffing. But they are going to expedite their processes and we'll do the same. They are committed to moving actions as fast as possible.

Could you order them by date they are available to come online? Also can you note if you've talked to the vendors and confirmed they are able to meet the request?
