ENCOUNTER DATA:

REDACTED **REDACTED** **D.A.B.G.** **REDACTED**
REDACTED were encountered at **REDACTED** Aurora, CO 80012 on 07/06/2026 during targeted surveillance for **A#REDACTED** **J.M.E.** who has an I-200 Warrant for Arrest. The above four referenced subjects were approached by officers displaying ICE badges and gear. Deportation Officer **M.** **DO O.** approached the vehicle and identified themselves as Immigration Officers and questioned all subjects as to their status in the United States. All subjects individually stated that they were not in possession of any documentation that would allow them to be in or remain in the United States legally at this time. None of the subjects had either a State Identification or Driver's License on their possession. After being questioned, all four subjects stated that they were citizens/nationals from Venezuela and had entered the United States illegally. Due to the circumstances of the encounter, the subjects were in possession of a mobile conveyance, had no verifiable address or identification, and no local ties to the community or family, ICE officers came to the conclusion that all subjects were likely to escape and would be unable to be located at the scene of the encounter or another clearly identifiable location before an administrative warrant could be obtained. Due to these factors, this was a warrantless arrest. ICE officers advised all four subjects referenced above that they were under arrest for immigration violations and were taken into custody without incident. All subjects were transported to the Denver Field Office for processing. At the Denver Field Office all subjects' fingerprints were taken utilizing the Automated Biometric Identification System (IDENT) and through Next Generation Identification (NGI), which is run by the FBI's Criminal Justice Information Services (CJIS). All subjects were served with an I-200 Warrant of Arrest of Alien at the Denver Field Office.

ENTRY DATA/IMMIGRATION HISTORY

On June 29, 2026, at approximately 0645 hours, ICE ERO officers conducted surveillance at **REDACTED**, Colorado Springs, Colorado. During this surveillance, officers observed five individuals exit a white Ford F-150 (Colorado Plate: **REDACTED**). A record check of the license plate indicated it was registered to **REDACTED**, an individual with a final order of removal issued in absentia by an immigration judge on June 5, 2024.

The vehicle came to a stop near the intersection of E. Bijou Street and Delaware Drive. ICE ERO officers, wearing standard law enforcement gear with clearly displayed agency badges, approached the vehicle and made contact with the driver and passengers.

After the driver was positively identified, officers conducted interviews with the passengers, including **D.R.M.**. Upon questioning regarding his immigration status, **D.R.M.** freely admitted to being a citizen and national of Honduras who entered the United States without inspection. Subsequent record checks for **D.R.M.** confirmed his status as present in the United States without authorization.
