RECORD OF DEPORTABLE/EXCLUDABLE ALIEN: K.A.M.M., REDACTED, REDACTED, REDACTED Aurora, CO 80012 on 07/06/2026 during targeted surveillance for REDACTED, J.M.E. who has an I-200 Warrant for Arrest. The above four referenced subjects were approached by officers displaying ICE badges and gear. Deportation Officer (DO) R.M. DO J.O. approached the vehicle and identified themselves as Immigration Officers and questioned all subjects as to their status in the United States. All subjects individually stated that they were not in possession of any documentation that would allow them to be in or remain in the United States legally at this time. None of the subjects had either a State Identification or Driver's License on their possession. After being questioned, all four subjects stated that they were citizens/nationals from Venezuela and had entered the United States illegally. Due to the circumstances of the encounter, the subjects were in possession of a mobile conveyance, had no verifiable address or identification, and no local ties to the community or family, ICE officers came to the conclusion that all subjects were likely to escape and would be unable to be located at the scene of the encounter or another clearly identifiable location before an administrative warrant could be obtained. Due to these factors, this was a warrantless arrest. ICE officers advised all four subjects referenced above that they were under arrest for immigration violations and were taken into custody without incident. All subjects were transported to the Denver Field Office for processing. At the Denver Field Office all subjects' fingerprints were taken utilizing the Automated Biometric Identification System (IDENT) and through Next Generation Identification (NGI), which is run by the FBI's Criminal Justice Information Services (CJIS). All subjects were served with an I-200 Warrant of Arrest of Alien at the Denver Field Office.

U.S. DEPARTMENT OF HOMELAND SECURITY Warrant for Arrest of Alien

File No. REDACTED

Date: 07/06/2026

To: Any immigration officer authorized pursuant to sections 236 and 287 of the Immigration and Nationality Act and part 287 of title 8, Code of Federal Regulations, to serve warrants of arrest for immigration violations

I have determined that there is probable cause to believe that LJ.R.R. is removable from the United States. This determination is based upon:

- ☐ the execution of a charging document to initiate removal proceedings against the subject;
- ☐ the pendency of ongoing removal proceedings against the subject;
- ☐ the failure to establish admissibility subsequent to deferred inspection;
- ☒ biometric confirmation of the subject's identity and a records check of federal databases that affirmatively indicate, by themselves or in addition to other reliable information, that the subject either lacks immigration status or notwithstanding such status is removable under U.S. immigration law; and/or
- ☐ statements made voluntarily by the subject to an immigration officer and/or other reliable evidence that affirmatively indicate the subject either lacks immigration status or notwithstanding such status is removable under U.S. immigration law.

YOU ARE COMMANDED to arrest and take into custody for removal proceedings under the Immigration and Nationality Act, the above-named alien.

Arrest of: **J.N.R.H.** (A#)

On June 29, 2026, at approximately 0645 hours, ICE ERO officers conducted surveillance at **REDACTED** Colorado Springs, Colorado. During this surveillance, officers observed five individuals exit a white Ford F-150 (Colorado Plate: **REDACTED**). A record check of the license plate indicated it was registered to **J.B.M.** an individual with a final order of removal issued in absentia by an immigration judge on June 5, 2024.

The five individuals returned to the vehicle and departed the location. ICE officers initiated a vehicle stop by activating emergency lighting equipment. The vehicle came to a stop near the intersection of E. Bijou Street and Delaware Drive. ICE ERO officers, wearing standard law enforcement gear with clearly displayed agency badges, approached the vehicle and made contact with the driver and passengers.

After the driver was positively identified, officers conducted interviews with the passengers, including **J.N.R.H.** Upon questioning regarding his immigration status, **J.N.R.H.** freely admitted to being a citizen and national of Honduras who entered the United States without inspection. Subsequent record checks for **J.N.R.H.** confirmed his status as present in the United States without authorization.

A Warrant for Arrest of Alien (Form I-200) was obtained and signed by a supervisor prior to his arrest. ICE ERO officers presented the I-200 to **J.N.R.H.** and ordered him to exit the vehicle. **J.N.R.H.** was taken into custody without incident and transported to the Colorado Springs HSI office for processing.
