✓ Start saving those garage sale items! On Sept 7th and 8th, RMAD will be hosting a garage sale in Boulder from 8am - 4pm (both days). This will be a fundraiser to rent 2 billboards in Denver to protest the Ringling Bros Circus. The garage sale will be at the Bldr Unity Church at the corner of Folsom and Valmont. (There's a chance the location may change; if it does, we'll let you know.)

We need volunteers for drop-off locations. So far we have drop-offs lined up in Longmont, Westminster and Loveland. We need someone who has a garage or storage space to take items in Boulder, Denver and Louisville. Volunteers would just keep the items until Thursday Sept 6th, when we'll come by with a truck to get all items. There will then be a tagging/pricing "party" Thursday evening.

More details will be coming, but start getting your items together for donation, and folks with storage space please send me a message. The next email will outline where the drop-off points will be.

Thanks,
